“Our uniqueness, individuality, and life experience, molds us into fascinating human beings. I hope we can embrace that. I pray we may all challenge ourselves to delve into the deepest resources of our hearts to cultivate an atmosphere of understanding, acceptance, tolerance, and compassion. We are all in this life together”

Linda Thompson – Singer, Songwriter.

The World of Today is witnessing a struggle of sorts – a heightened phase of intolerance that is perpetuating a culture of strong sentiments and ill-feelings for those that we don't agree with. Prejudices and perceived injustices, bordering on hatred, have aroused passions, quite often leading to violent confrontations. There has been a wave of incidents, instigated or otherwise, that have further polarized communities, and enraged the masses, resulting in mayhem. No doubt, simmering discontent, alienation, disrespect of human rights, socio-economic deprivation, inequity, corruption, and selective justice, has fermented extremism, not just in our part of the world, but also in the West – the so-called bastion of democratic values and traditions.

A realization is long overdue that things have to change, the mindset has to be recalibrated. We all have been waiting for that elusive 'New Dawn' – for all, not just for the chosen-few and privileged. Where the Principles of 'The State of Medina,' as envisaged by our remarkable Holy Prophet Muhammad, are incorporated and practiced, in 'Letter and Spirit' by the State and its Institutions. Inshallah, by doing so, the Genius of the people of Pakistan in general, and of its Youth in particular, will forever change the destiny of this great Nation!

AAMEEN

ROYAL DEPARTURE

The Preschool is a hub of delightful events and activities, and true to their colors, the preschoolers gave a sweet and succulent send-off to King Mango, as it winds down a very 'fruitful' Royal Summer Season. A Mango themed Dessert Fiesta was any Mango Lover's dream come true, and truly epic desserts by students, were 'lip smacking' D'LICIOUS. Parting, is literally 'A Sweet Sorrow!'

GOOD MANNERS & COURTESY

A display of Good Manners and Courtesy, is an important aspect of our interactions with others. Courtesy is the respect extended to different people we come across during THE course of a day, whereas Manners, reflect on the way and how we connect with people. Good Manners convey an individual's refined demeanor and class, that leave a favorable impression wherever we go. SAP lays a great stress on a Student's Manners and Courtesy, and hence something that needs to be inculcated.

CHECK-POINT # 3 & SENDUP ASSESSMENTS

The Check-Point Assessments for Grades I to VIII, and Sendup Assessments for Grades IX and X, have commenced from September 2nd, 2024.

The School Timings during the duration of the Assessments are:

Classes	Reporting Time	Dismissal Time
Class VIII -X and College	08:30a.m.	12:15p.m.

The College Section will follow its 'Normal class schedule.'

It is imperative for Parents to monitor the ongoing assessments. Parental involvement is a source of encouragement, and is a timely reminder to the student that home support is available and there for the asking.

IN CASE - of any concern or issue regarding the CMS or the School App, contact the L.O.S.C. IT department for redressal of issue.

RAINY DAY

A Poem by Feroza Imtiaz – Head Girl Girls Section

A knitted sweater covered by the sky
Twinkling sprinkles jumped off their home
The umbrellas bloomed all over the ring

Heard the song of splashing puddles
The shining Sun untied the knots
I sat under a big dancing tree

a bunch of softies piled up high
to clean and wash my own home
like the flowers that bloom in the sunny, warm spring

echoing laughter of raindrop cuddles
throwing shine on wet flower pots
and felt fresh and free.

FEE SUBMISSION

The sixth of every month is the last date for the submission of monthly dues. Parents are requested to ensure the timely payment of all current and outstanding amounts.

ALI NAWAZ – a General Knowledge Prodigy

A Second Grader, Ali has a prodigious knowledge of World Geography. Ask him to point out any country on the World Map with no identifications, he accurately will pin-point the country's exact location.

Likewise, if asked about the continent to which any country belongs to, he will instantly give the correct answer. The agility of his mind defies his age and portends for an exciting and promising future for this gifted youngster.
