SILENT SPECTATORS!

The second biggest religion in the World – Islam with nearly 2 billion adherents, about 25% of Planet Earth's population, in 50 Muslim majority countries, and beyond, is a Silent Spectator to a Horrific year of death and destruction. Complicit in the Genocide of the brutalized Palestinians, by a criminal indifference to their plight, are the compromised Muslim Governments.

Leaders' Odyssey

School and College

It is literally gut-wrenching to watch any footage of the calculated, cold blooded murder of innocent Palestinians – children, women, men, the elderly, around the clock. Gaza, a virtual graveyard, with thousands buried under the rubble of a totally devastated land, is still being targeted 24/7. The Israeli Killing Machine's arsenal is being replenished 24/7 by America, without who's support this Genocide wouldn't have been possible. And the Muslims, who, if they were to stand united, would have been a formidable force, politically and economically, to confront the Western Powers and cut them to size. Yet, probably because a great part of their wealth is stashed in American and European financial institutions, they are too compromised to confront their real masters. As we approach October 7, the completion of one whole year of Israeli atrocities, we should, individually and collectively, do our part in raising our Voices for the people of Gaza, and also for those living in Lebanon. Let us not be just mere spectators, let us find a way to alleviate the suffering of the people of Gaza! Let the voices of Humanity resonate throughout the World!

STEPPING OUT!

The past few weeks have been abuzz with outdoor activities and students have thoroughly enjoyed some exciting excursions. Special movie screenings, treks, frolics in the park, bowling and gaming, even a bit of golfing, a sumptuous brunch, soaking in history at a fort cum museum – fun-filled and relaxing outings that students from all sections have been a part of.

Naturally, this could not have been accomplished without the active support and encouragement of the Parents, and we very much appreciate their cooperation.

School and College

ADMISSIONS - 2025

The **Registration and Admissions process for Academic Session 2025** has commenced. Parents desirous of admissions for siblings are facilitated during this early stage, and also those who wish to avoid the usual late-minute rush. **The Admission Counter is open throughout the week from 9 a.m. to 12 p.m.**

**Education; a journey
not a race!**

SMILE BRIGHT

To inculcate good habits about dental care and hygiene in our Preschoolers, a very informative Dental Camp was organized. From good eating habits to the causes of cavities, from how to properly brush your teeth to oral hygiene do's and don'ts were imaginatively explained. The final act, appropriately enough, was a dental check-up by a team of Dentists.

Keep Smiling!

HOMEWORK

The basic premise of Homework is a reinforcement of class academics, and also encouraging independent work habits. Research has shown that students who regularly do home assignments, are likely to perform better in class. Homework is given according to a predetermined schedule, and assignments are checked, evaluated, and improvements suggested. Parents need to monitor their child's work in this regard.

FEE SUBMISSIONS

As per school policy, the **Fee Vouchers for November and December are dual vouchers**; the November Fee-Challan is inclusive of December dues, while the December Challan incorporates January and February 2025 dues.

In effect, two months tuition dues have to be paid in **November and December the Fee Voucher is inclusive of January and February, 2025, dues**. Parents are reminded of this so as to create any subsequent confusion in this regard.

Fee Vouchers for October have already been forwarded, and **Parents are requested to ensure payments by or before October 6, 2024**.

IN-BRIEF

The last date for registration for IKLC – International Kangaroo Language Competition **has been extended to October 5, 2024.**

BOOK SECTION

This week we are pleased to introduce an author who happens to be a student of L.O.S. Indeed a moment of pride for the school as Nida Zahra Naqvi, of Grade X, has completed the manuscript of her maiden novel, 'The Starlight Serenade.'

AUTHOR'S REVIEW

"The Starlight Serenade is an epic fantasy novel. As the author of this book, my vision was to create something truly unique – an extraordinary fusion of fantasy, deep emotional journey and cosmic mysteries; it's a story that intertwines love, destiny and the forces of the universe in a way that I believe sets it apart from anything else out there. For those who seek an epic story filled with adventure, mystery and emotional depth, The Starlight Serenade is more than just a novel – it's an unforgettable journey that lingers long after the final page."

Nida Zahra Naqvi, of Grade X
