

NEWSLETTER

DECEMBER 10, 2024

It has been an eventful passage, ever-evolving, as we navigated a highway of dreams, hopes, ambitions, and expectations, with the inevitable twists and turns. A script that kept everyone engaged, the students, parents, the teachers, in an intriguing year that required a fair bit of soul searching on part of the institution as how to best balance the many variables impacting day to day learning.

Whatever challenges came our way, the focus was always on maintaining a momentum, not getting bogged down, being proactive and flexible, making necessary changes when so required. The Newsletter has always strived to keep you aware and informed about all that is on-going at our campus.

This is the 35th and final edition of the Newsletter for Session 2024, as the curtains come down for the year. We would like thank the many Parents who have appreciated our Newsletter, and encouraged us along the way.

We bid you a fond Farewell, and look forward to Welcome you back, Inshallah, in March 2025.

Allah Nigheybaan! Allah Hafiz!
