A LONG DRIVE!

We also are in the final stages of our long drive, which began in early March this year. This ten-month long trek, through the learning landscape, has had its fair share of mixed emotions, like any extended quest for knowledge and self-enhancement.

All the main protagonists – students, parents, and teachers, have had periods of euphoria interspersed with, perhaps, some sporadic turbulence, as any academic journey inevitably encounters. The last act, the year-end assessments, are on-going, as we enter December.

The curtains of Session-2024, will come down on Saturday, December 21, 2024.
The Countdown has started from December 1, 2024!

UPDATED CONTACTS

In case there has been a change in any particular part of a student's contacts, be it phone numbers, home address or any particular given address, Parents are requested to please update it in your child's school records, by December 30, 2024.

SUBJECT SELECTION FOR BOARD REGISTRATIONS

Students of Grade 7, moving up the ladder to Pre-Ninth (grade 8) in academic session – 2025, are required to notify the school, latest by December 30, 2024, about their selection of either of the two subjects – biology or computer science. This is important, as there will be a bifurcation into two academic groups – computer or biology.

DUES SUBMISSION

The fee-vouchers for the months of January and February 2025, have been forwarded. Parents are advised to clear the current dual fee voucher, latest by Friday, December 6, 2024, failing which students won't be allowed to sit for their assessments from, **December 9, 2024**

ADMISSIONS - 2025

New admissions process for academic year 2025 for Grades Pre-Nursery to fifth, will continue till Tuesday, **December 31, 2024**. L.O.S.C. and its offices will remain closed for the Winter Break in January, 2025. Subsequently, the Admissions will resume in early February. Date will be notified later.
