# MATH & GK QUIZ 2025

Math & GK Quiz 2025 is your chance to showcase your brilliance, test your knowledge, and compete with the best minds from across the globe!

**THINK SMART. ANSWER FAST.  
RISE AS A CHAMPION!**

**LAST DATE  
FOR REGISTRATION  
FEB 26, 2025**

## MATH MARVELS

Solve thrilling puzzles, conquer tricky calculations and unlock your problem-solving potential.

## VENUE

✓ AT YOUR OWN SCHOOL

## WHY JOIN?

- ✓ Sharpen your skills
- ✓ Compete with the best minds
- ✓ Win amazing prizes and certificates

### Math & General Knowledge Quiz 2025

#### Where Logic Meets Curiosity

Step into the realm of numbers, logic, and worldly wisdom! The Math & GK Quiz 2025 is your chance to challenge your mind, expand your knowledge, and showcase your brilliance in mathematics and general knowledge.

#### Why Participate?

- Sharpen Your Skills: Develop analytical, problem-solving, and reasoning abilities.
- Broaden Your Horizons: Gain insights into fascinating facts and concepts.
- Showcase Your Talent: Compete with peers and earn recognition as one of the brightest minds.

#### Key Areas of Exploration

##### MATHEMATICS

Master the art of numbers and problem-solving with these focus areas:

- Arithmetic & Number Sense: Tackle operations, fractions, and decimals with ease.
- Geometry & Patterns: Explore shapes, symmetry, and spatial understanding.
- Logical Reasoning: Engage in puzzles and brainteasers that challenge your thinking.
- Data Handling: Interpret graphs, charts, and tables.
- Algebra: Grasp foundational concepts of equations and expressions.

##### GENERAL KNOWLEDGE

Expand your understanding of the world with diverse topics:

- **World Facts:** Discover countries, capitals, cultures, and landmarks.
- **Historical Milestones:** Dive into events that shaped history.
- **Science & Nature:** Learn how science interacts with everyday life.
- **Current Affairs:** Stay updated with the latest global events.
- **Trivia & Fun Facts:** Test your wits with captivating and lesser-known facts.

#### WHO CAN PARTICIPATE?

The quiz is open to students from Pre-Level to Grade 12, with tailored content for every age group.

For Early Learners (Kindergarten, Preschool, Grades 1-2):

- **Math:** Counting, basic shapes, and number recognition.
- **GK:** Colors, animals, fruits, and fun recognition activities.

## GK GURUS

Discover fascinating facts, tackle global trivia and prove you're the ultimate know-it-all!

## Event Highlights
