Leaders' Odyssey

The world is changing faster than ever, and children today have the power to shape it in amazing ways. With creativity, curiosity, and kindness, you can turn big dreams into real inventions, solve problems no one has solved before, and make the world better for everyone. Whether you're building a robot, painting a picture, planting a tree, or standing up for a friend, you're making a difference. Your ideas matter, your voice matters, and your actions can inspire others. The future isn't just something that happens, it's something you help create, starting right now.

EID GALA HIGHLIGHTS

A Festive Success Alhamdulillah

Alhamdulillah, the second event of our school, the Eid Gala, has been successfully completed. It was a joyful and memorable celebration filled with laughter, unity, and festive spirit. We sincerely thank all the students, teachers, and parents who contributed their time, effort, and support to make this event a wonderful success. May Allah continue to bless our school with harmony, happiness, and continued achievements.

FEEDBACK ON THE 1ST PARENT-TEACHER MEETING

(Classes 1 to 9)

We are pleased to share that the first Parent-Teacher Meeting (PTM) for Classes 1 to 9 was successfully conducted, Alhamdulillah. A heartfelt thank you to all the parents who attended and actively participated. Your involvement played a vital role in strengthening the bridge between home and school. Through these discussions, parents gained valuable insights into their child's academic progress, classroom behavior, and areas of improvement. It also allowed teachers to understand each student better and work collaboratively with families to support their development. However, we also noticed the absence of some parents. While we understand that certain circumstances may arise, we must highlight the importance of PTMs in a child's educational journey. Those who were unable to attend missed a key opportunity to connect with teachers, understand their child's strengths and challenges, and contribute to shaping their progress. We encourage all parents to prioritize future meetings to ensure a consistent and supportive learning environment for their children. Let us continue working together as partners in education, striving for the best outcomes for every child.

UPCOMING 1ST PARENT-TEACHER MEETING

for Pre-Nursery to KG

We are pleased to inform you that the first Parent-Teacher Meeting for classes Pre-Nursery to KG will, InshAllah, be held on **Saturday, 19th April 2025.**

This meeting is an important opportunity for parents to connect with teachers, discuss their child's early progress, and share any concerns or suggestions. We highly encourage all parents to attend, as it plays a vital role in building a strong foundation for your child's educational journey.

We look forward to welcoming you and working together for the success and growth of our young learners.

UPCOMING STATE BANK MATH COMPETITION AND VISIT

We are excited to announce that the State Bank Math Competition and Educational Visit will be taking place this week, InshAllah. This is a wonderful opportunity for our students to showcase their mathematical skills and gain valuable exposure to the real-world applications of math in the banking sector.

The visit to the State Bank will also include informative sessions, interactive activities, and a chance for students to explore the role of finance and economics in everyday life. We encourage all participating students to prepare with enthusiasm and make the most of this enriching experience.

HRCA COMPETITION CONDUCTED

We are pleased to share that the HRCA Competition was successfully conducted on Monday, 14th April. We appreciate all the students who participated with enthusiasm and gave their best efforts. Good luck to all participants for their results! We are proud of your dedication and wish you great success ahead.

COMMENCEMENT OF REGULAR CLASSES FOR CLASS 10

This is to inform you that regular classes for Class 10 will commence from Monday, 5th May. All students are expected to attend in proper uniform with required books and materials. We look forward to a focused and productive academic year ahead.

SCHOOL LEAVE AND SHORT LEAVE POLICY

All parents and guardians are kindly informed that the School Leave and Short Leave Policy should be submitted through the School App within 24 hours of the leave request. This ensures proper record-keeping and helps us maintain smooth communication and attendance tracking. We appreciate your cooperation in following this important policy.

21ST CENTURY SKILLS

In today's modern world, education goes beyond textbooks. 21st century skills focus on preparing students for the future by developing important abilities like critical thinking, creativity, teamwork, digital literacy, and effective communication. These skills help children not only succeed academically but also grow into confident, responsible, and capable individuals ready to thrive in any environment. Nurturing these skills from an early age ensures a brighter and more adaptable generation.
