SCHOOL VISIT TO THE STATE BANK

Our recent visit to the State Bank was a highly enriching experience for our students. The visit was well-organized and provided valuable insights into how banks operate and their role in everyday life. Students learned about the importance of saving money, how banks help keep money safe, and how consistent saving can lead to financial growth over time. They were also introduced to basic concepts of investment in a simple, age-appropriate manner that helped them understand the value of planning for the future. We were especially proud of our Grade 9 students, who actively participated in the interactive activities and discussions. Their enthusiasm and curiosity made the session even more engaging and meaningful. We sincerely thank the State Bank team for their time, hospitality, and for creating such a practical learning opportunity that will help shape our student's understanding of financial responsibility from a young age.

SUMMER UNIFORM CHECK

Please be informed that the summer uniform will be checked starting 15th May. Kindly ensure that all students are in proper and complete summer uniform as per school guidelines. Please ensure that the uniform is clean, well-ironed, and of the correct size. Shoes should be properly polished and appropriate as per school guidelines. Socks, belts, and other uniform accessories must also follow the school rules. Haircuts and overall grooming should be neat and suitable for a school environment. Your cooperation and support in upholding school standards are sincerely appreciated.

MARTIAL ARTS AND FITNESS EVENING CLASSES

*We are excited to inform you that our martial arts and fitness evening classes will begin in the first week of May 2025. Registration for these classes will be open from **23rd April 2025**.*

These classes provide an excellent opportunity for students to enhance their physical fitness, develop discipline, and improve their overall well-being.

We look forward to seeing your child take part in these exciting classes!

EARTH DAY CELEBRATION IN SCHOOL

To raise awareness among students about the importance of protecting our environment, a poster competition was organised among grade VII Students on Saturday 19th April. Our young learner enthusiastically participated in it and through this activity, they understand the value of nature the impact of pollution, and simple steps they can take to care for the planet.

SAP PUNCTUALITY AREA

Students are expected to attend all classes on time. Late arrivals will result in consequences, including mark deductions for repeated lateness. Punctuality is a key part of academic discipline and will be strictly monitored.

SCHOOL APP: A MUST FOR ALL PARENTS

All parents are required to actively use the School App, which serves as the primary platform for communication between the school and families. Through the app, parents will be able to access important updates, track their child's attendance and academic progress, receive announcements, and stay informed about school events. To ensure smooth usage, a detailed tutorial will be shared shortly, guiding parents through the various modules and features available on the app. This will help you stay connected and engaged in your child's education more effectively.

TIMELY FEE PAYMENT ESSENTIAL

We kindly remind all parents to ensure timely fee submission. Delayed payments may lead to penalties or affect your child's access to school services. Please make sure to adhere to the deadlines to avoid any disruptions. Your cooperation is greatly appreciated.

PRESCHOOL AND COLLEGE PARENT-TEACHER MEETINGS HELD

A Parent-Teacher Meeting was successfully conducted for both Preschool & College levels. This provided an opportunity for parents to engage with educators, discuss their child's progress, and address any concerns. We appreciate all parents who participated and look forward to continued collaboration for the success of our students.

CELEBRATING MOMIN'S VICTORY: DISTRICT-LEVEL SCHOLARSHIP WINNER

We are thrilled to share that our student, Momin, has topped the district level for the scholarship, showcasing not only individual excellence but also the strong collaboration between our school and students. This achievement highlights the dedication of our entire school community—teachers, staff, and students—working together to foster academic success. Congratulations to Momin on this outstanding accomplishment, and we look forward to many more shared successes in the future.
