FEEDBACK – 8TH AUGUST INDEPENDENCE DAY EVENT

Our recent Independence Day celebration on 8th August was a **delightful display of patriotism and unity**. The campus came alive with green and white, echoing the spirit of freedom that binds us together. Students showcased their creativity through speeches, skits, and songs, reminding us of the sacrifices made for our beloved homeland. **A heartfelt thank you to all teachers, students, and parents for making the event memorable.** The enthusiasm, preparation, and discipline reflected the values we hold dear. We look forward to many more such moments that inspire pride and gratitude.

UPCOMING EVENT

YAWM-E-ISTAQLAL (13TH AUGUST)

Mark your calendars. Yawm-e-Istaqlal will be celebrated on 13th August to commemorate Pakistan's official recognition of its **sovereignty**. This special day will feature a series of interactive activities designed to strengthen students' knowledge of our country's history and achievements. Students are encouraged to participate in the quiz competition and historical tableau to make this day both educational and inspiring. Let us come together to honor the resilience of our nation.

8 HOURS OF SLEEP IS A MUST FOR EVERYONE

Good sleep is not a luxury, it is a necessity. Studies show that students who get 8 hours of quality sleep perform better academically, are more focused, and have improved memory retention.

Parents are advised to ensure their children follow a healthy sleep schedule. A well-rested student is a happy, alert, and active learner. Your brain works best when you give it the rest it deserves.

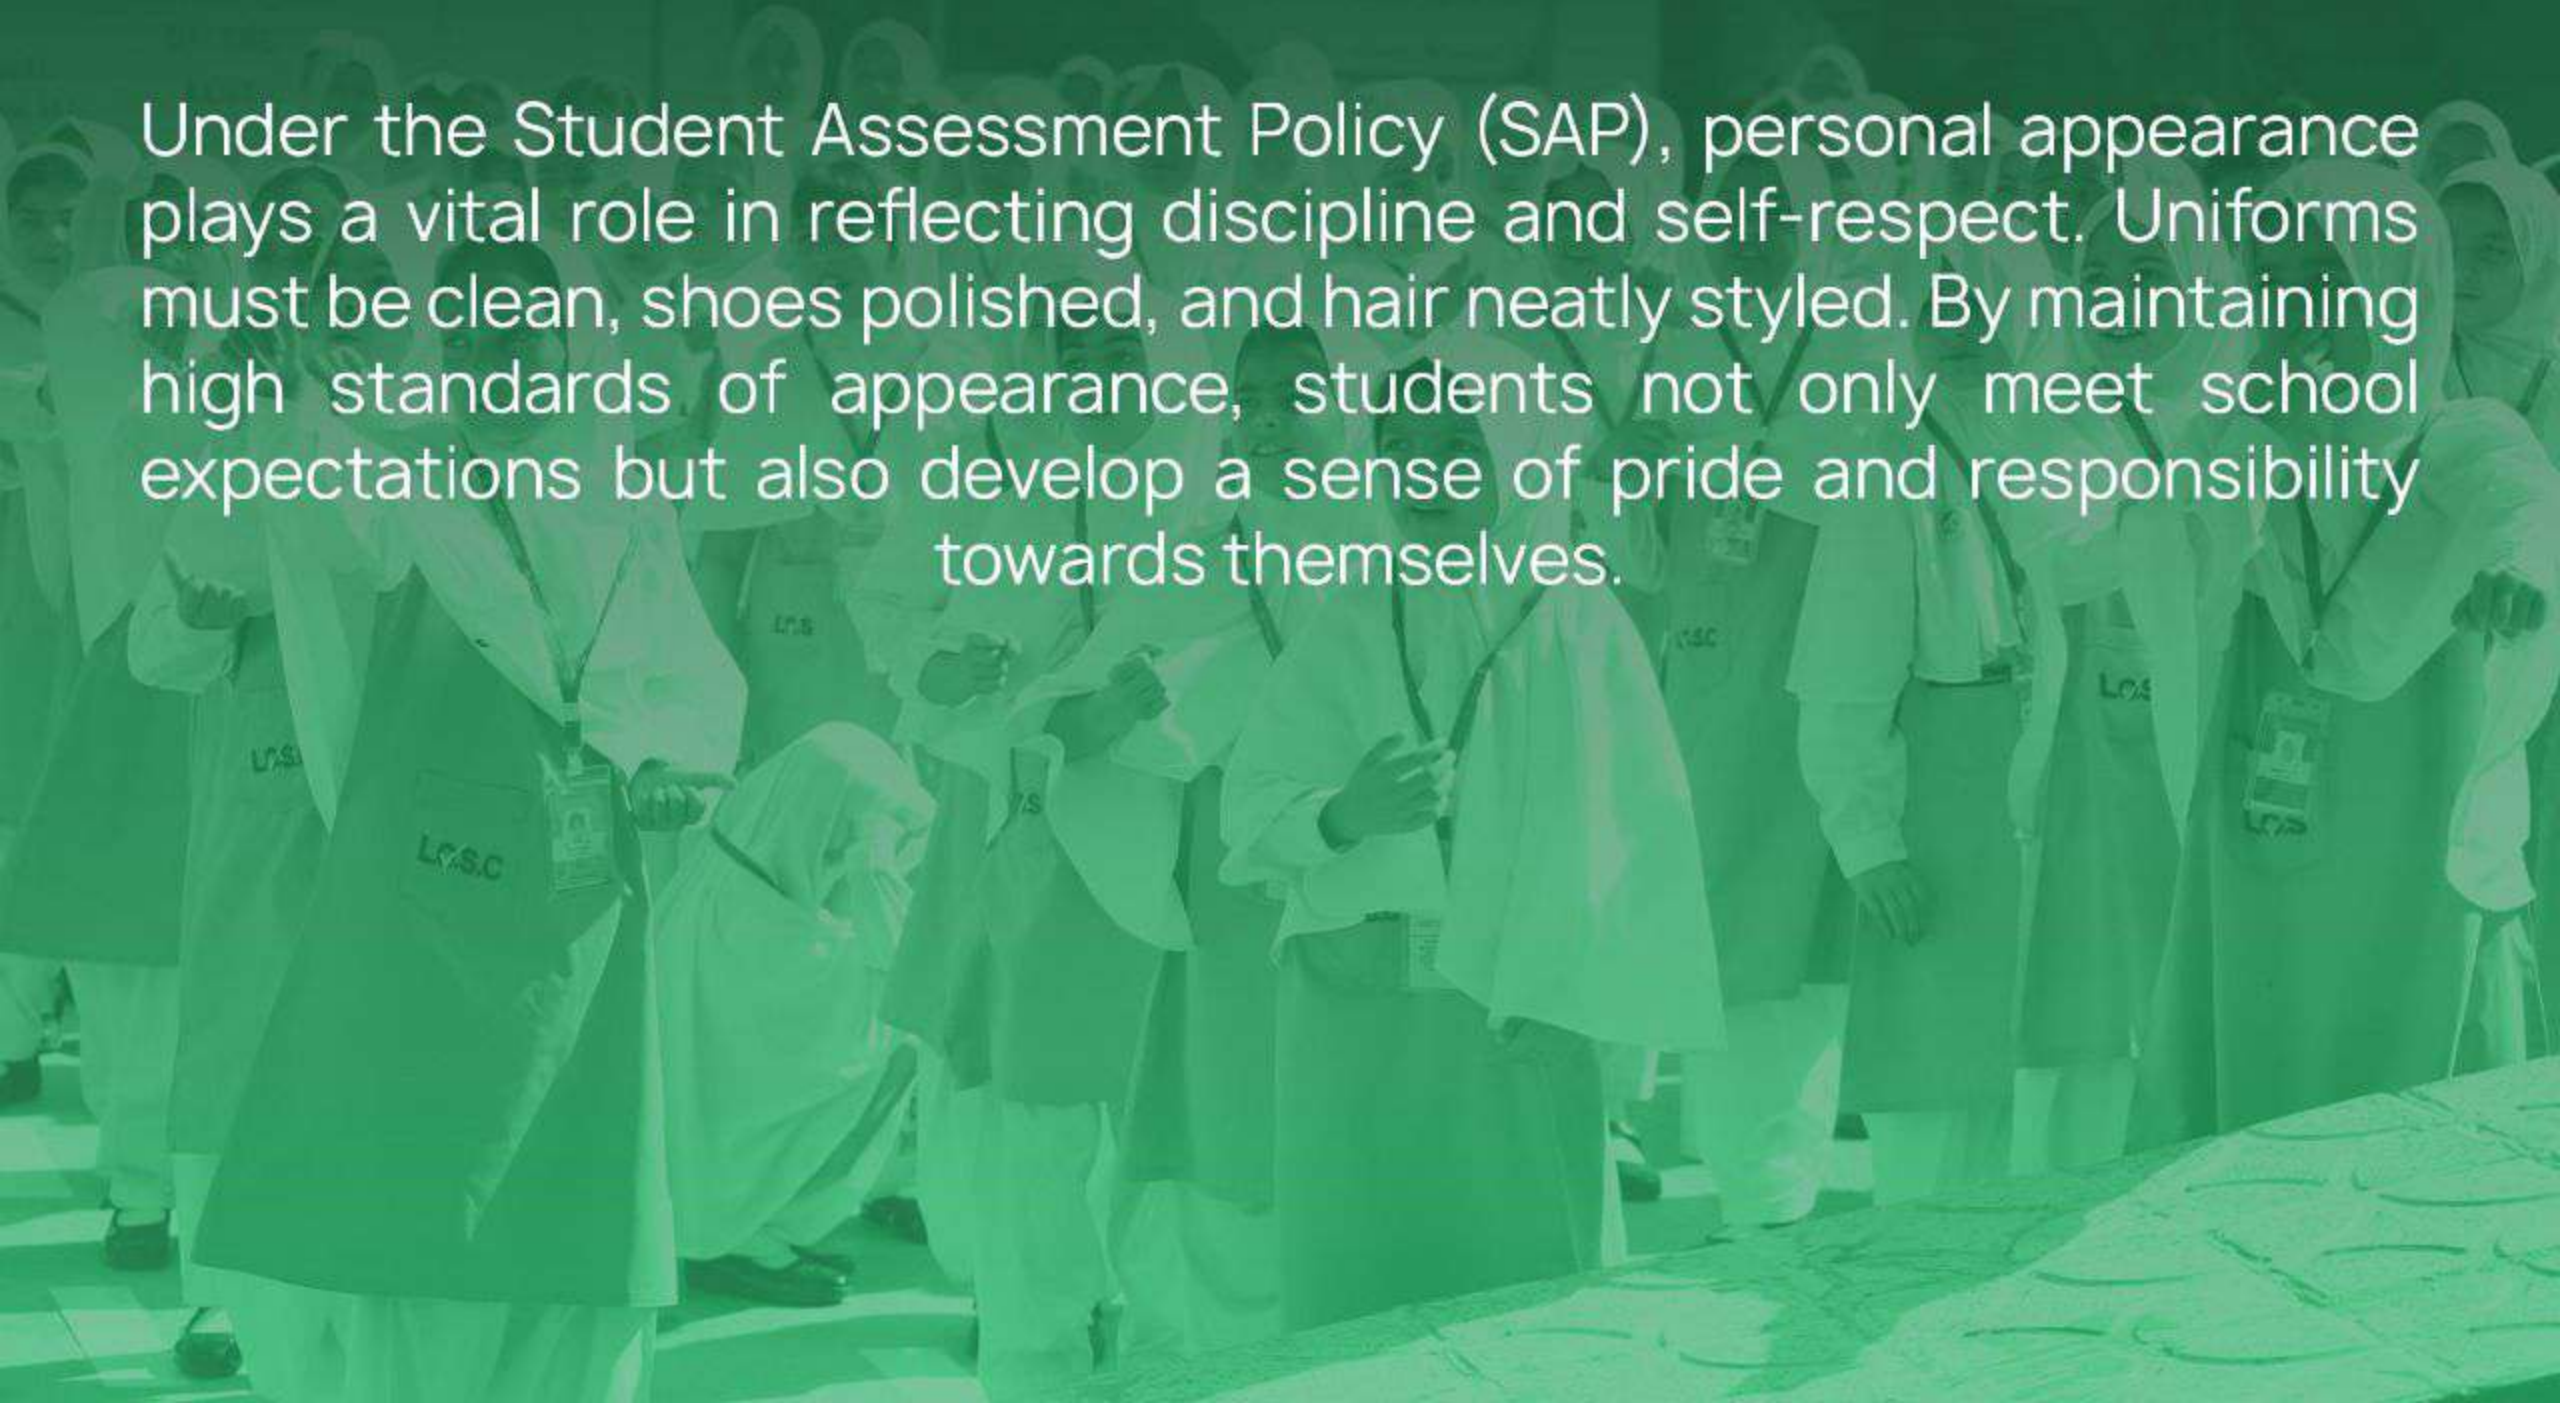

REGIONAL LANGUAGES ARE NOT ALLOWED IN SCHOOL

To maintain an environment of inclusivity and promote effective communication, students must converse in English within the school premises. This policy helps improve language skills, builds confidence, and prepares students for future academic and professional opportunities. We request parents to reinforce this habit at home so that our students can practice and excel in their English communication.

SAP – PERSONAL APPEARANCE

Under the Student Assessment Policy (SAP), personal appearance plays a vital role in reflecting discipline and self-respect. Uniforms must be clean, shoes polished, and hair neatly styled. By maintaining high standards of appearance, students not only meet school expectations but also develop a sense of pride and responsibility towards themselves.

14TH AUGUST – INDEPENDENCE DAY HOLIDAY

In celebration of Pakistan's Independence Day, the school will remain closed on 14th August 2025. Let us use this time to reflect on our national heritage and appreciate the freedoms we enjoy today.

SCHOOL CLOSURE ON 15TH AUGUST

For security reasons, the school will remain closed on 15th August 2025. We request parents to ensure that students spend the day productively and safely at home. Classes will resume on Monday, August 18, 2025, with the regular timetable.

ROAD SAFETY AWARENESS

Safety begins with awareness. Our recent road safety awareness initiative reminded students about the importance of using pedestrian crossings, wearing seat belts, and following traffic rules. **Parents are encouraged to discuss these safety measures regularly to ensure our students remain safe on their journeys to and from school.**

ORGANIZING BAGS

An organized school bag is the first step towards an organized mind. Students should ensure that only necessary books and materials are packed according to the timetable.

By keeping bags neat and light, we help prevent back strain and make daily school routines more efficient.
