## **PTM FEEDBACK** **(PRE-CAMPUS & COLLEGE)**

Our recent Parent-Teacher Meetings for both the Pre-Campus and College sections were a success. Parents actively participated in discussions, highlighting the academic growth and overall progress of their children. Teachers shared valuable insights on how students can strengthen their skills and improve their performance in upcoming terms.

The PTM also served as a bridge between home and school, reinforcing the importance of collaboration in shaping a child's future. We are grateful to all parents who attended and shared constructive feedback, which will help us further improve our teaching methods and student support systems.

# COLLEGE GRADUATES

## BRUNCH WITH MEMORIES

Our college graduates recently gathered for a delightful brunch filled with laughter, nostalgia, and cherished memories. It was a beautiful moment to see them reflect on their journey, share stories, and celebrate the bonds they formed during their time with us.

We also extend our heartfelt congratulations to them for their excellent results. Their dedication, hard work, and perseverance are truly commendable, and we wish them the very best for their future endeavors. May their next chapter be as successful and fulfilling as their time here.

# PHYSIOTHERAPY AWARENESS SESSION

**WITH CLASS 8 FEEDBACK**

An engaging physiotherapy awareness session was recently held with our Class 8 students. The session helped students understand the importance of posture, exercise, and physical care in maintaining overall health and wellness. They were introduced to basic physiotherapy techniques that can prevent injuries and support healthy growth.

The students shared highly positive feedback, expressing that the session was informative and eye-opening. Many realized how small lifestyle changes can make a big difference in their daily routines, especially in today's digital age where long sitting hours are common.

# SCHOOL TIMING DURING EXAMS:

Classes	Timing
Pre-Nursery, Nursery and Kindergarten	09:00 a.m. till 12:30 p.m.
Grade I - IX	08:30 a.m. till 12:00 p.m.
Grade X, XI and XII	Regular School Hours

## EXAMINATION RULES

With examinations approaching, all students are reminded to carefully follow the set rules and regulations. Honesty and discipline are at the heart of our exam policy, and any form of unfair means will not be tolerated under any circumstances. Students are encouraged to prepare sincerely and manage their time effectively.

Parents are also requested to support their children in creating a healthy study routine. Together, we can ensure that exams are conducted smoothly and fairly, reflecting each student's true abilities and hard work.

# GENERAL MANNERS & ETIQUETTE FOR STUDENTS

Character building is as important as academics in our school. Students are reminded to practice good manners and etiquette in their daily interactions, both inside and outside the classroom. Respect towards teachers, peers, and staff remains the foundation of our learning environment.

Simple habits such as greeting politely, listening attentively, and showing kindness to others create a positive atmosphere for everyone. We encourage parents to reinforce these values at home so that our students grow into wellrounded and respectful individuals.

# SAP INTERPERSONAL & COMMUNICATION SKILLS

Our SAP program continues to emphasize the development of interpersonal and communication skills. Students are being trained to express themselves confidently, collaborate effectively, and build strong peer relationships. These skills are essential not just for academics but for success in every area of life.

Through interactive activities, discussions, and role plays, students are learning the art of respectful communication and teamwork. The program has been well-received, and we look forward to seeing these skills reflected in their academic, personal, and future professional lives.

# FEE SUBMISSION POLICY

We kindly remind all parents and guardians to ensure that school fees are submitted on time according to the policy. Timely payments allow us to maintain quality education, facilities, and extracurricular activities for all our students.

Late submissions create unnecessary difficulties in administration. We greatly appreciate the cooperation of our parent community in adhering to the fee schedule, ensuring smooth functioning of the institution.

# **AITCHISON COLLEGE INVITATION** (22ND 27TH OCTOBER)

We are pleased to share that our students have been invited to participate in an event at Aitchison College from 22nd to 27th October. This is a wonderful opportunity for students to showcase their talents, interact with peers from across the country, and broaden their learning experience.

Interested students are encouraged to approach Mrs. Fareeha for registration and details. We look forward to enthusiastic participation and hope our students make the most of this prestigious platform.
