SAP INTERPERSONAL AND COMMUNICATION SKILLS

We are proud to share that our students are being introduced to the SAP module on Interpersonal and Communication Skills. This program is designed to help them express themselves more effectively, build meaningful connections, and develop teamwork and leadership qualities. It emphasizes active listening, confidence in communication, and respect for others in everyday interactions.

Through role-play, discussions, and practical exercises, students will gain hands-on experience that prepares them not only for academic excellence but also for success in professional and social environments. Parents are encouraged to support this initiative by promoting healthy conversations and positive communication habits at home.

OUTDOOR ACTIVITIES FROM MONDAY, **22ND SEPTEMBER 2025**

We are excited to announce that outdoor activities for all classes will officially begin on Monday, 22nd September 2025. These sessions are carefully designed to promote physical fitness, teamwork, and discipline, while also giving students the opportunity to enjoy learning in an open and energetic environment.

Students will participate in age-appropriate activities that combine fun with skill development. We kindly request parents to ensure that children are equipped with proper sports attire and water bottles so they can fully benefit from this enriching experience.

SIBLINGS ADMISSIONS

FOR SESSION 2026

Admissions for siblings will open from October for the upcoming Session 2026. This provides an excellent opportunity for families who already have children enrolled with us to secure seats for their younger ones. As seats are limited, we strongly encourage parents to complete the admission process at the earliest convenience.

Our commitment remains to provide the highest standards of education while maintaining a nurturing environment for all students. Early submission of applications will help avoid delays and ensure smooth placement.

ETE - ECO TREK EXPLORATION AND SPORTS ACTIVITIES ON 25TH SEPTEMBER 2025

We are delighted to share that our students will be taking part in Eco Trek Exploration and Sports Activities (ETE) on Thursday, 25th September 2025. This event is designed to connect students with nature, promote environmental awareness, and encourage an active, healthy lifestyle. Students will explore and learn about different trees, wild flowers, birds, and insects while also developing a deeper appreciation for the environment.

The activities include a wide range of exciting and meaningful experiences such as nature walks, hiking, indoor and outdoor sports, volunteer work, and food distribution. Students will also participate in eco-friendly initiatives like recycling drives, water conservation projects, and the use of sustainable products. To further enrich the program, documentaries and interactive sessions will highlight the importance of protecting our planet. The event aims to improve focus, mental health, teamwork, and physical well-being while fostering a strong sense of responsibility toward nature and community service.

SECOND CHECKPOINT RESULT ANNOUNCEMENT

The results of the Second Checkpoint Assessments will soon be shared with parents and students. These results reflect the consistent efforts of our learners and the support extended by both parents and teachers throughout the term.

We encourage parents to consider these assessments as a stepping stone in the larger journey of growth. Teachers will be available to provide guidance, feedback, and strategies to help every child achieve even greater success in the coming term.

SEVEN HABITS OF HIGHLY EFFECTIVE PEOPLE

As part of our personal development program, students are being introduced to the “Seven Habits of Highly Effective People.” This world-renowned framework encourages responsibility, goal-setting, time management, and a proactive approach to life.

By practicing these habits in school and at home, students will learn to stay organized, build focus, and strengthen their problem-solving skills. Parents are encouraged to reinforce these habits outside the classroom to ensure that students carry them into everyday life.

WINTER UNIFORM FROM 15TH OCTOBER 2025

The school will officially switch to the winter uniform from 15th October 2025. Parents are requested to make the necessary arrangements so that students are prepared well in advance.

Adhering to the uniform policy ensures unity, discipline, and a strong sense of identity among students. We trust that parents will cooperate to maintain the high standards of presentation that our school community values.

REMINDER: MONEY AND EXPENSIVE STATIONERY

Parents and students are reminded that bringing money or expensive stationery items to school is strictly prohibited. Such items can cause distractions and unnecessary concerns regarding loss or misplacement.

We greatly appreciate your cooperation in maintaining a safe and fair learning environment for every child. Our focus remains on providing an atmosphere where students can fully concentrate on their studies and activities.

TERM 3 OF ACADEMIC SESSION 2025

We are pleased to inform you that Term 3 of the academic session 2025 will commence on Tuesday, 23rd September, with regular school timings in place.

This new term marks another important stage in the academic calendar, and we are excited to see our students continue their progress.

We encourage parents to ensure punctuality, regular attendance, and active involvement in their child's learning.

Together, we can make this term a productive and rewarding experience for all.
