MEET OUR TEACHERS: MS. TAHMINA ANWAAR

We are pleased to introduce Ms. Tahmina Anwaar, our Mathematics Teacher, whose strong academic background and teaching experience bring valuable expertise to our academic team.

Ms. Tahmina holds an M.Sc. in Mathematics and is a Gold Medalist, securing 1st position in her Master's degree. She also achieved 4th position in both F.Sc. and B.Sc. at the provincial level in Balochistan.

She brings 4 years of experience as a Mathematics Lecturer at Government Girls College and 5 years at LOSC. Her strong academic background and teaching experience contribute to strengthening Mathematics education and student understanding.

We warmly welcome and appreciate Ms. Tahmina's continued contribution to the academic development of our students.

AI BOOT CAMP: FIVE DAYS OF DIGITAL DISCOVERY

A five day Artificial Intelligence Boot Camp was successfully conducted for our students, providing them with an opportunity to explore the rapidly developing world of AI. The training focused on building awareness of modern AI tools and understanding their practical applications.

The sessions provided students with hands on learning experiences and encouraged them to explore technology beyond the traditional classroom environment. Practical exposure allows students to develop confidence while learning how emerging technologies can support creativity, research and problem solving.

We appreciate the efforts of the teachers and students who participated throughout the training and contributed to making the boot camp a productive learning experience.

GROOMING FOR THE FUTURE: COLLEGE STUDENTS MEET DR. GHULAM RASOOL

A valuable grooming session for our college students was conducted with Dr. Ghulam Rasool. The session focused on developing students' confidence, personality and awareness of the qualities required to present themselves effectively in academic and professional environments.

Such sessions provide students with guidance that extends beyond their regular academic studies. Personal presentation, communication, confidence and responsible conduct are important aspects of a student's overall development.

We appreciate Dr. Ghulam Rasool for sharing his time and guidance with our students and contributing towards their personal and professional growth.

ADMISSIONS 2027: YOUR JOURNEY STARTS HERE

Admissions for the Academic Session 2027 will open in October. Parents and students interested in joining Leaders Odyssey International School are encouraged to obtain admission information and complete the required process within the announced admission period.

Limited seats are available. Families are advised to plan ahead and remain attentive to admission announcements to ensure they have sufficient time to complete the necessary formalities.

SAP SPOTLIGHT: INTERPERSONAL AND COMMUNICATION SKILLS

Under the Student Assessment Policy, SAP, interpersonal and communication skills remain an important area of student development. Students are encouraged to communicate respectfully, listen carefully and interact positively with their teachers, classmates and other members of the school community.

Strong communication is not simply about speaking confidently. It also involves understanding others, choosing appropriate words, expressing ideas clearly and responding with respect.

These skills help students become confident and effective communicators in school and everyday life.

STEAM EXHIBITION: CREATIVITY ON DISPLAY THIS OCTOBER

Work on the students' STEAM projects is progressing, and the school is preparing to showcase their efforts through a STEAM Projects Exhibition in October.

The exhibition will provide students with an opportunity to present their ideas, demonstrate practical learning and share the work they have developed with their teachers. It will also give parents a closer look at the creativity and effort taking place beyond regular classroom lessons.

We look forward to welcoming parents to the exhibition and celebrating the students' curiosity, innovation and hard work.

FEE POLICY: CLEAR RULES, CLEAR RESPONSIBILITIES

Leaders' Odyssey International School follows a defined fee policy to ensure that financial and administrative matters are handled in an organised manner. Parents and guardians are requested to familiarise themselves with the complete fee policy and follow the prescribed procedures and deadlines. The detailed fee policy has been shared in the WhatsApp group.

The school also maintains a double fee policy in accordance with its stated fee regulations. Parents are advised to carefully review the applicable terms and ensure that payments are made within the specified timelines.

Following the fee policy on time helps ensure smooth school operations. We appreciate parents' cooperation and encourage them to contact the school office for any clarification.
