PERSONAL APPEARANCE & HEALTHY HABITS: DISCIPLINE BEGINS WITH YOU

Under the Student Assessment Policy (SAP), personal appearance and healthy habits remain essential aspects of student development. Students are expected to maintain proper hygiene, wear a neat and complete uniform, and demonstrate responsible personal habits throughout the school day.

With the winter season approaching, parents are informed that the winter uniform will be available at the Uniform Gallery outlet. They are encouraged to make the necessary arrangements in advance to ensure that students are properly equipped for the seasonal transition.

Maintaining personal cleanliness, following uniform guidelines, and developing healthy routines reflect discipline and self-respect. These habits contribute to a positive school environment and help students develop a responsible approach to everyday life.

HOMework POLICY: LEARNING CONTINUES BEYOND THE CLASSROOM

The Homework Policy has been shared with students and parents to establish clear expectations regarding academic work completed at home. Homework plays an important role in reinforcing classroom learning, developing independent study habits, and strengthening students' understanding of different subjects.

Parents are encouraged to support their children in maintaining a regular homework routine while allowing them to complete their assignments independently. A balanced approach to homework helps students develop responsibility, time-management skills, and confidence in their own abilities.

FEE VOUCHERS & POLICY: STAY INFORMED, STAY ON TIME

1. Academic Session for Fee Purposes:

For classes Pre-Nursery to Class X, the academic session shall be from March of the current year to February of the following year. For classes XI & XII, it shall be from June of the current year to May of the following year.

2. Revision of Fee:

The school management reserves the right to revise tuition fees and other applicable charges as and when deemed necessary.

3. Non-Refundable & Non-Transferable:

All fees once paid are strictly non-refundable and non-transferable.

4. Mid-Month Admission:

Students admitted before the 22nd of any academic month will be charged the full monthly fee for that month.

5. Fee Voucher & Due Date:

- a) Fee vouchers will be issued on the 28th of each month.
- b) Fees are payable by the 6th of the following month.
- c) A late payment surcharge of Rs. 1,000/- will be levied after the due date.
- d) If the due date falls on a public holiday, the payment date will be adjusted accordingly.
- e) The challan form is available on the school app.

6. Consequence of Non-Payment:

- a) Failure to pay fees by the due date will result in temporary blocking of the student's school app account and removal from the official school WhatsApp group.
- b) Failure to pay fees for two consecutive months will lead to expulsion of the student from the school.

7. Mode of Payment:

- a) Online Payment: All online fees must be deposited into the official Leaders' Odyssey School & College Account. After payment, parents must share the transaction receipt on the official school WhatsApp number along with Student's Name, ID, Class, and Fee Month.
- b) Cash Payment: Cash payments must be submitted directly at the Accounts Department of the school.

8. Sibling Concession:

A 25% concession on tuition fee is available from the third sibling onwards, as per the school's policy.

9. Annual Result and Clearance:

Fees for the months of January and February must be cleared before the issuance of the Annual Result Card.

10. Advance Collection of Fees:

Fees for January and February of the next academic session will be collected in advance. Therefore, double fees will be charged in the months of November and December.

11. End of Academic Year Charges:

If a student completes his/her academic year at the school, fees for January and February shall remain payable regardless of the notice period. The Annual Result Card and School Leaving Certificate (SLC) will only be issued after clearance of all dues, including fees for January and February.

12. Withdrawal Policy:

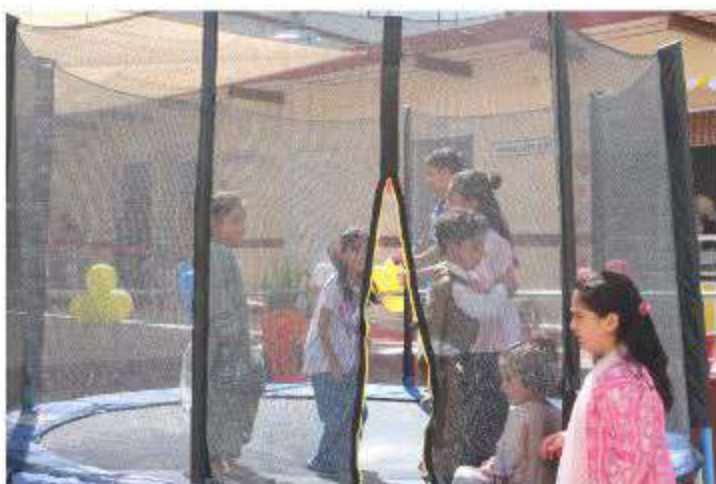

If parents/guardians wish to withdraw their child's admission before the 22nd of any month, they will be required to pay the fee for the subsequent month.

LITTLE STEPS, BIG SMILES: PRESCHOOL CARNIVAL FEEDBACK

The Preschool Carnival was a delightful experience for our youngest learners, bringing together excitement, creativity, and joyful participation. The event provided children with an opportunity to explore, interact, and enjoy activities designed especially for their age group.

The enthusiasm of our little stars made the occasion memorable, while the efforts of our teachers and organising team ensured a welcoming and engaging environment. We sincerely appreciate the cooperation of parents and everyone who contributed to making the carnival a success.

LEARNING WITH PURPOSE, GROWING WITH CONFIDENCE

At Leaders' Odyssey School and College, we remain committed to nurturing academic excellence, personal discipline, creativity, and practical skills. Through a balanced approach to education, we continue to encourage our students to explore their potential, embrace new challenges, and grow into confident individuals.

EDUCATION DEPARTMENT VISIT: STRENGTHENING EDUCATIONAL ENGAGEMENT

Leaders' Odyssey International School welcomed a team from the Education Department for a visit to the campus. The visit provided an opportunity for interaction and engagement with the school's educational environment and ongoing activities.

We appreciate the team's time and interest in visiting our institution. Such engagements contribute to constructive communication and a shared commitment to educational development.

LEARNING BEYOND LESSONS: DR. GHULAM RASOOL'S SESSION WITH CLASS 9 BOYS

A valuable session was conducted by Dr. Ghulam Rasool for the boys of Class 9, providing students with an opportunity to benefit from his guidance and interact beyond their regular classroom routine.

The session offered a meaningful learning experience and encouraged students to reflect on their personal development, confidence, and approach to their educational journey. Such interactions help broaden students' perspectives and expose them to valuable insights beyond textbooks.

We appreciate Dr. Ghulam Rasool for taking the time to engage with our students and contribute to their development.

YOUNG PROGRAMMERS MEET: CREATIVITY MEETS CODE

The Primary Section is preparing for an exciting Young Programmers Meet on 8th October. This upcoming event will provide our young learners with an opportunity to explore programming, demonstrate their creativity, and engage with the world of technology.

The activity aims to encourage curiosity, logical thinking, and problem-solving through age-appropriate learning experiences. It will also help students discover how technology can be used to turn ideas into meaningful projects.

We look forward to an engaging event that celebrates the curiosity and innovative spirit of our young learners.

ENGLISH AS OUR MEDIUM: BUILDING CONFIDENCE THROUGH COMMUNICATION

English remains the medium of instruction at Leaders' Odyssey International School. Students are encouraged to communicate in English during academic activities and classroom interactions to strengthen their fluency and confidence.

Regular practice helps students improve their vocabulary, develop clearer expression, and become more effective communicators. A strong command of English also supports their participation in academic discussions and prepares them for future educational opportunities.

We encourage students to embrace every opportunity to practise the language and develop their communication skills with confidence.

SIBLING ADMISSIONS 2027: OPEN FROM 15TH OCTOBER **A PLACE FOR THE WHOLE FAMILY**

Admissions for the Academic Session 2027, including sibling admissions, are now part of our upcoming enrolment process. We look forward to welcoming more families into the Leaders' Odyssey community and continuing to build lasting educational partnerships.

Limited seats are available. Parents interested in sibling admissions are encouraged to contact the school administration for details and complete the required formalities in a timely manner.

A CHAMPION AMONG US: NOMYAL KHAN SHINES IN BADMINTON

We are immensely proud to congratulate Nomyal Khan, our Class 7 student, on being recognised as the Best Player at the Balochistan Badminton Championship.

This achievement reflects Nomyal's dedication, sporting ability, and commitment to excellence. Representing the young talent of our school, this accomplishment is a wonderful source of pride for the entire Leaders' Odyssey community.

We congratulate Nomyal on this outstanding performance and wish him continued success in his sporting journey. May this achievement inspire other students to pursue their interests with determination and confidence.

READY FOR TOMORROW: THE IMPORTANCE OF 21ST-CENTURY SKILLS

Education today extends beyond textbooks and examinations. Twenty-first-century skills, including critical thinking, creativity, communication, collaboration, and problem-solving, are increasingly important in preparing students for a rapidly changing world.

At Leaders' Odyssey School, we encourage students to develop these abilities alongside their academic knowledge. The capacity to think independently, work effectively with others, and adapt to new challenges helps students become confident learners and responsible individuals.

By nurturing these skills from an early age, we aim to prepare our students not only for academic success but also for the opportunities and responsibilities that lie ahead.

OUTDOOR ACTIVITIES: LEARNING IN THE OPEN AIR

Students will participate in a range of outdoor games and activities over the coming weeks. These activities are designed to encourage physical fitness, teamwork, confidence, and healthy interaction among students.

Outdoor engagement provides a valuable balance to classroom learning. Through games and group activities, students learn to cooperate, respect rules, develop resilience, and appreciate the importance of an active lifestyle.

We encourage all students to participate enthusiastically and make the most of these opportunities for physical and personal development.
