AITCHISON DELEGATION: RECONNECTING AND SHARING EXPERIENCES

The school recently hosted a get-together for the students who were part of the Aitchison delegation. It was a wonderful opportunity for participants to reconnect, share their experiences and reflect on the memories they made during their visit.

Such gatherings allow students to learn from one another and appreciate the value of representing their school. We are pleased to see our students carrying these experiences forward with confidence, friendship and a broader outlook.

ADMISSIONS 2027: A NEW JOURNEY AWAITS

Admissions for the 2027 academic session are underway. We welcome families who are looking for an educational environment that focuses on academic development, personal growth, discipline and practical learning.

Parents interested in securing admission are encouraged to contact the school administration for details about the admission procedure and available seats. Early enquiries are recommended to help families prepare for the upcoming academic year.

TIMELY FEE SUBMISSION: A SHARED RESPONSIBILITY

1. Academic Session for Fee Purposes:

For classes Pre-Nursery to Class X, the academic session shall be from March of the current year to February of the following year. For classes XI & XII, it shall be from June of the current year to May of the following year.

2. Revision of Fee:

The school management reserves the right to revise tuition fees and other applicable charges as and when deemed necessary.

3. Non-Refundable & Non-Transferable:

All fees once paid are strictly non-refundable and non-transferable.

4. Mid-Month Admission:

Students admitted before the 22nd of any academic month will be charged the full monthly fee for that month.

5. Fee Voucher & Due Date:

a) Fee vouchers will be issued on the 28th of each month.

b) Fees are payable by the 6th of the following month.

c) A late payment surcharge of Rs. 1,000/- will be levied after the due date.

d) If the due date falls on a public holiday, the payment date will be adjusted accordingly.

e) The challan form is available on the school app.

6. Consequence of Non-Payment:

a) Failure to pay fees by the due date will result in temporary blocking of the student's school app account and removal from the official school WhatsApp group.

b) Failure to pay fees for two consecutive months will lead to expulsion of the student from the school.

7. Mode of Payment:

a) Online Payment: All online fees must be deposited into the official Leaders' Odyssey School & College Account. After payment, parents must share the transaction receipt on the official school WhatsApp number along with Student's Name, ID, Class, and Fee Month.

b) Cash Payment: Cash payments must be submitted directly at the Accounts Department of the school.

8. Sibling Concession:

A 25% concession on tuition fee is available from the third sibling onwards, as per the school's policy.

9. Annual Result and Clearance:

Fees for the months of January and February must be cleared before the issuance of the Annual Result Card.

10. Advance Collection of Fees:

Fees for January and February of the next academic session will be collected in advance. Therefore, double fees will be charged in the months of November and December.

11. End of Academic Year Charges:

If a student completes his/her academic year at the school, fees for January and February shall remain payable regardless of the notice period. The Annual Result Card and School Leaving Certificate (SLC) will only be issued after clearance of all dues, including fees for January and February.

12. Withdrawal Policy:

If parents/guardians wish to withdraw their child's admission before the 22nd of any month, they will be required to pay the fee for the subsequent month.

FINAL TERM PREPARATION: SYLLABUS AND DATE SHEET SHARED

The syllabus and date sheet for the upcoming examinations have been shared with students. With the examination schedule now available, students should organise their study routines and begin revising each subject systematically.

Parents are encouraged to help their children establish a consistent study timetable at home, ensuring sufficient time for revision, written practice and preparation. Regular effort and proper planning can make the examination period more manageable.

UNDERSTANDING THE PASSING CRITERIA AND STUDENT EXPECTATIONS

Students are expected to achieve a minimum of 40% marks to meet the academic passing criteria. Alongside academic performance, satisfactory remarks in the relevant areas of the Student Assessment Policy (SAP) and an attendance rate of more than 85% are important requirements.

The school believes that education is not limited to examination results. Regular attendance, responsible behaviour, participation and personal development all contribute to a student's progress. Students should remain attentive to these expectations throughout the academic year.

Parents are requested to stay informed about their children's attendance and overall performance. Consistent support from home can help students maintain the standards expected by the school.

A WEEK OF CELEBRATION: CLASS PARTIES

Class parties are being held this week, marking the final school event of the current term. These gatherings give students an opportunity to celebrate their time together, enjoy a relaxed atmosphere and create happy memories with their classmates and teachers.

Beyond the celebrations, such occasions strengthen friendships and contribute to a positive school experience. We hope students enjoy this final event of the term and carry these memories with them into the next academic session.

COLLEGE STUDENTS TAKE PART IN THE ICAP COMPETITION

College students participated in the ICAP competition held this week. The competition provided an opportunity for students to challenge themselves, apply their knowledge and engage in an academic activity beyond their regular classroom routine.

Participation in competitions helps students develop confidence, critical thinking skills and the ability to perform in challenging environments. We appreciate the efforts of the students who took part and encourage them to continue exploring opportunities that broaden their learning.

CLASS 7 SUBJECT SELECTION: BIOLOGY OR COMPUTER SCIENCE

Class 7 students who have selected either Biology or Computer Science as their subject option are reminded to submit their final confirmation before 20 December 2026.

Parents are requested to discuss the available options with their children and ensure that the selected subject reflects their interests and learning goals. Timely confirmation will help the school complete the necessary academic arrangements for the upcoming session.

EXAMINATION RULES: PREPARING FOR A FAIR AND DISCIPLINED ASSESSMENT

As examinations approach, students are expected to follow all examination rules and instructions carefully. They should arrive on time, bring the required stationery and follow the invigilators' directions throughout each paper.

Students must maintain honesty and discipline during examinations. Any form of cheating, unauthorised assistance or disruption is unacceptable. A fair examination environment allows every student to demonstrate their knowledge through their own efforts.

Parents are encouraged to discuss the importance of examination discipline with their children and help them prepare responsibly. Good preparation, punctuality and academic integrity are essential parts of the examination process.

HRCA COMPETITION: CELEBRATING OUTSTANDING ACHIEVEMENT

The results of the recent HRCA competition have been announced, bringing excellent news for our students. Our participants secured a cash prize of Rs. 20,000, along with 13 gold medals and 13 silver medals.

These achievements reflect the students' dedication, preparation and enthusiasm for learning. We congratulate all the winners and appreciate the teachers and parents whose encouragement and guidance supported them throughout the competition.

We hope this success inspires more students to participate in academic competitions, explore their abilities and continue striving for excellence.

SAP: CHARACTER BUILDING BEGINS AT HOME AND SCHOOL

The Student Assessment Policy (SAP) covers important areas of a child's development, manners and courtesy, healthy habits, personal appearance, punctuality, time management, interpersonal skills and communication. Each of these areas contributes to building a confident and well-rounded individual.

These values cannot be developed through school guidance alone. Children also need consistent encouragement and positive reinforcement at home. Parents play an important role in helping them practise good manners, communicate respectfully, maintain healthy routines and take responsibility for their actions.

We encourage parents to give equal importance to all SAP areas and reinforce these habits in everyday family life. When school and home work together, children receive a stronger foundation for both personal and academic growth.
