ADMISSIONS 2027:
LIMITED SEATS AVAILABLE

Admissions for the 2027 academic session are now open, with a limited number of seats available. Families interested in becoming part of the Leaders' Odyssey School community are encouraged to contact the school administration for information about the admission process.

Parents are advised to make enquiries in advance, as admissions are subject to seat availability. We look forward to welcoming new students and families for the upcoming academic year.

EXAMINATION RULES: DISCIPLINE IS PART OF SUCCESS

As students prepare for their examinations, they are reminded to follow the examination rules carefully. Arriving on time, bringing the required stationery and following the instructions of invigilators are essential for a smooth examination process.

Students must maintain honesty and discipline throughout their examinations. Cheating, unauthorised assistance and any form of disturbance during examinations will not be tolerated. Every student is expected to demonstrate their knowledge through their own preparation and effort.

School & College

CLASS PARTIES: A CELEBRATION OF SHARED MEMORIES

The recent class parties brought excitement and enjoyment to school life. Students had the opportunity to spend quality time with their classmates and teachers, share moments of laughter and celebrate the friendships they have built throughout the academic year.

These occasions are an important part of the school experience. Alongside academic learning, students benefit from opportunities to interact, participate and create positive memories together. We appreciate the efforts of everyone who helped make the celebrations enjoyable.

EXAMINATION TIMINGS

The examination timings will be effective from Wednesday, 25th November 2026, and will be followed from Monday to Friday as outlined below:

- Pre-Nursery, Nursery & KG: 9:00 AM – 11:45 AM
- Grade I – X: 8:30 AM – 12:05 PM

Parents are encouraged to plan transportation accordingly and ensure that students arrive at school on time. Further details and any specific timing instructions will be communicated by the school.

UPDATED CONTACT DETAILS: SUBMIT BEFORE 30 DECEMBER

Parents are requested to submit their updated contact information before 30 December 2026. It is important that the school maintains accurate phone numbers and other relevant contact details for every student.

Updated information helps the administration communicate important notices, examination updates, results and urgent messages without delay. Parents are encouraged to review the details already provided and inform the school office of any changes before the deadline.

School & College

CLASS 8 SUBJECT SELECTION: BIOLOGY OR COMPUTER SCIENCE

Class 8 students who are required to confirm their selection between Biology and Computer Science should inform the school of their choice on Result Day. This confirmation will help the school complete the necessary academic arrangements for the next stage.

Parents are encouraged to discuss both subject options with their children before making a final decision. Students should consider their interests and learning goals when choosing their preferred subject.

School & College

FEE SUBMISSION: KEEPING PAYMENTS ON SCHEDULE

Parents are reminded to follow the school's fee policy and ensure that payments are submitted within the prescribed deadlines. Timely fee submission helps the school maintain smooth academic and administrative operations.

We request parents to check their fee vouchers carefully and take note of the payment deadlines. For any clarification regarding the fee policy, payment procedures or related matters, parents may contact the school administration.

SHINING STAR RECOGNITION: CELEBRATING EXCELLENCE

The Shining Star category for Classes 6 to 8 recognises students who demonstrate outstanding performance in different areas of school life. Recognition will focus on three important achievements: Best in Academics, Best in SAP and 100% Attendance.

This initiative highlights the importance of a balanced approach to student development. Academic achievement reflects dedication to learning, while SAP performance recognises positive behaviour, personal grooming and responsible conduct. Perfect attendance reflects consistency and commitment.

We encourage students to work towards these achievements through regular effort, discipline and participation. Every positive step contributes to their growth and development.

RESULT DAY:
RECOGNISING EFFORT AND PROGRESS

Result Day provides an opportunity for students and parents to reflect on the academic term, recognise achievements and identify areas that require further improvement. It is a moment to appreciate the effort students have put into their studies and activities.

Parents are encouraged to discuss results with their children in a positive manner, celebrating progress while helping them set realistic goals for the future. Academic growth is a continuous process, and every term offers a fresh opportunity to improve.

AFAQ COMPETITION: LEARNING BEYOND THE CLASSROOM

Students participated in the AFAQ competition, gaining an opportunity to test their knowledge and engage in an academic activity beyond their regular classroom routine. Such competitions encourage curiosity, independent preparation and a healthy spirit of participation.

Experiences like these help students build confidence and learn how to approach new challenges. We appreciate the efforts of all participants and encourage them to continue exploring opportunities that support their academic growth.

SAP OBSERVATION: EVERY AREA COUNTS

Observations across all areas of the Student Assessment Policy (SAP) will continue until 10 December 2026. Students are expected to demonstrate consistency in manners and courtesy, healthy habits, personal appearance, punctuality, time management, and interpersonal and communication skills.

SAP is an important part of the school's approach to student development. These areas help build responsible habits, positive attitudes and respectful behaviour that support students both inside and outside the classroom.

Parents are encouraged to reinforce these values at home and guide their children through everyday routines. Consistent support from families and teachers helps students develop the habits needed for long-term personal growth.

School & College

GIRLS CAMPUS SESSION: UNDERSTANDING AND MANAGING STRESS

A session on stress management was organised at the Girls Campus to highlight the importance of emotional well-being and healthy ways of dealing with everyday pressures. Students were encouraged to understand stress, recognise common challenges and explore positive ways to manage them.

Sessions like these provide students with useful guidance as they balance academic responsibilities, examinations and personal development. Raising awareness about stress management also encourages students to communicate their concerns and seek support when needed.

We appreciate the efforts of everyone involved in organising this session and recognise the importance of student well-being as part of the experience.

AVERAGE MARKS: ONLY AGAINST APPROVED APPLICATIONS

Parents and students are reminded that average marks will only be considered in cases supported by an approved application. The school will follow its established procedures when reviewing such requests.

Parents are advised to submit the required application and supporting information through the proper channels. Any consideration of average marks will remain subject to the school's approval and applicable academic policy.
